Course Outcomes

CO1: Familiarize the conceptual aspects of protection and reconcile economic growth, environmental balance and social progress.

CO2: Develop understanding of the labour welfare and human rights.

CO3: Discuss social mobility and integration.

CO4: Analyze and resolve conflict in equal manner.

CO5: Demonstrate understanding of the importance of education and equality.

CO6: Evaluate the factors that influence the sustainable society, design, develop the policies to achieve SDGs.

Section - I

Answer any 2 Questions (2 × 10 Marks)

01. Pen down the role that media and education play in promoting sustainable practices in the society. [10] (CO2/K1)
02. Trafficking in human persons is a particularly abusive form of migration. In the Millennium Declaration, States resolved to take measures to ensure respect for the protection of the rights of migrants and to intensify their efforts to fight trafficking. Annotate guidelines given by the office of the High Commissioner for Human Rights. [10] (CO3/K2)
03. The term green economy was first coined in a pioneering 1989 report for the Government of the United Kingdom by a group of leading environmental economists, entitled Blueprint for a Green Economy. Throw light on its characteristics and benefits in the direction of achieving sustainability. [10] (CO4/K4)

Section - II

Answer any 4 Questions (4 × 20 Marks)

04. Deliberate upon the concept and historical background of sustainability, thereby mention the definition given the Brundtland Commission. [20] (CO1/K1)
05. Write a detailed note on the sustainable development in India. Pen down the steps taken by the Indian government to promote sustainability in the country. [20] (CO3/K2)
06. More than 1 million people were uprooted from their homes in Central America by the end of 2022 due to violence, insecurity and persecution, mainly by criminal organizations. El Salvador, Guatemala and Honduras have some of the highest rates of violence in the world. Elucidate [20] (CO4/K4)
07. Child trafficking is a serious crime and a severe violation of human rights. It is irrelevant whether a child appears to have "consented" in some way to being exploited, especially when force, deception, coercion, or abuse of power or vulnerability are being used. Explain child trafficking in detail by means of different case studies. [20] (CO5/K4)

[20] (CO5/K4)

08. Green growth is one of the seven top priorities of the Union Budget 2023-24 for ushering green industrial and economic transition, environment friendly agriculture, and sustainable energy in the country. The Union Budget 2023-2024 has envisaged several projects and initiatives spread across various sectors and ministries. Highlight the meaning of green growth thereby explaining different programs started by the government of India. [20] (CO2/K1)
